There is a 2 month escrow payment required at registration. This escrow will be applied to the last two months of your swimmers program. The second swimmer will receive a 15% discount, the third a 20% discount, and the fourth a 30% discount. The payment schedule above does not include the non-refundable \$100.00 registration fee. Meet entry fees, lodging, transportation and other meet costs are not included in program fees and are billed separately. We will not have a fundraising commitment this year, instead we have adjusted the fees to include all required program costs. We will still have several opportunities to help support the Gators through fundraising opportunities (i.e. swim-a-thon, and Kroger Cards). This move was made to help the many families who were looking to better budget throughout the year. Also revised this year, the Kroger Cares program will apply to any program fees, and/or meet fees, and/or fundraising.
