Swimming under a Bubble of Greatness

Gator Swim Club Programs

Bronze (Ages 6-10)

Focus is on the fundamental techniques of all competitive strokes, improvement of starts and turns, basic training concepts, and learning to love swimming.

Silver (Ages 9-13)

Emphasizes stroke technique, starts, turns, and race strategies while building strength and endurance.

SilverPlus (Ages 10-13)

Increased training with fine-tuning of stroke mechanics, conditioning, and racing.

Gold (Ages 14-18)

Advanced commitment for experienced, goal-oriented swimmers. Develop swimmers technically, physically, mentally and emotionally for higher level competition.

Senior I (Ages 14-18)

Dedicated swimmers training year-round for national levels of competition.

Senior II (Ages 14-18)

Swimmers committed to year-round training for success at nationally recognized events as well as a successful collegiate experience.
